The'' nab'' is trying to stop something i really enjoy and pay my hard earned' money for. This makes me very upset. Please donot let these big '' lobbyists'' do this to the common citizens. XM Satellite RADIO keeps the public and me informed on what is going on around the country and around home. this is very Important to me. I AND WE DONOT WANT THE ''BIG'' HATIONAL ASSOCIATIO OF BROADCASTERS DICTATING WHAT WE ARE PERMITTED TO HEAR. I PAY FOR THIS AND I WANT IT. Donot LET THEM THE ''NAB'' take away my rights as a us citizen to have a choice. THANK YOU SO MUCH. D. MOORE
